

**School to World Announcement  
for  
New Mexico Middle School Students**

Calling all 8<sup>th</sup> and 9<sup>th</sup> graders!!!

You've always heard that dreaded question " What do you want to be when you grow up?"

You don't have to decide right now at this exact moment, BUT it is a good idea to see what options are available. It's YOUR life and YOU have choices.

Find out what type of education and training you need to be a veterinarian... a social worker... a construction worker... a stockbroker... a welder... a video game creator... a doctor... a teacher... a auto mechanic... a farmer... a fireman or police officer... an actor or musician... or a broadcaster, just to name a few.

There are probably many careers and jobs you have never even thought about. There are also many classes in high school that could help prepare you for these careers.

Come to School to World on Saturday, February 12, 2011 at the Albuquerque Convention Center between 9 a.m. and 1 p.m. Come see what choices YOU have in YOUR OWN LIFE.

Admission is free. Come have lots of fun!

Don't wait until you grow up to decide what you want to be. Attend School to World on February 12th. Ask your teachers about this fun opportunity.
